

INTERMEDIATE CLINIC FEE: \$125

You love the game, practice frequently but you don't seem to be making much progress. You need consistency but can't seem to find it. We can help you with our Intermediate Clinic. We'll analyze your swing with the latest "V1" Video Swing Analysis software and our indoor golf simulator to get a precise reading on all measurable components of your swing before making our recommendations. We'll cover all the basics from tee to green with an emphasis on the scoring zone, 100 yards and in. You'll learn how to shape shots and control ball flight. We'll help you develop "your" individual routine and personalize a written practice plan for you. Students will be given the opportunity to identify specific areas of concern to be addressed by our professionals

GET GOLF READY CLINIC: \$125

If you've ever thought about picking up a golf club, either for the first time or returning again, you can make golf your sport for a lifetime.

The Get Golf Ready Program is designed to teach you in 5 short lessons everything you'll need to know to step onto a golf course and get out to play with confidence.

Get Golf Ready is taught by PGA and LPGA Professionals who will make sure you have fun each step of the way. The first 4 classes cover the what, when, where, why and how. On the 5th day, you'll finish up by actually playing; keeping score and learning some basic rules like water hazards, out of bounds, and lost balls. When all is said and done, you'll put it all to use by playing an entire hole.
